

COMMITTEE FAVORS

FOURTEENTH STREET

No Final Vote Is Taken, However, on Mayo Bridge Approach Problem.

WILL MEET AGAIN TO-DAY

Widening of Fourteenth From Main to Cary Is Favored by Majority. City Not in Position to Attempt Both at This Time.

Further discussion of the bridge approach problem by the Council Street Committee yesterday afternoon developed clearly the position of a majority of that committee that Fourteenth Street is the logical approach to Mayo Bridge, and that the widening of that street between Main and Cary Streets should be recommended to the Council.

While there was no mistaking the committee's leaning to the Fourteenth Street route, a motion made by Councilman Jones declaring it to be the sense of the committee that this route should be recommended precipitated a lively debate, and the committee adjourned after an hour more of vicarious discussion that led to nothing in particular, to meet again at 5 o'clock this afternoon.

A compromise plan was brought to the front by Alderman Gunst, who made a motion that the City Attorney be instructed to prepare a resolution providing for the widening of both Fourteenth and Fifteenth Streets in accordance with the two rival plans submitted to the committee. While he was uncompromisingly in favor of widening Fourteenth Street as the direct approach, said Mr. Gunst, he thought that the city was big enough to undertake the widening of both streets at this time, solving at once the problem of proper approach and the problem of congestion.

CITY IN NO POSITION TO UNDERTAKE BOTH

Councilman English told the committee that he is convinced that the proper approach to Mayo Bridge was through Fourteenth Street, and that he stood ready to vote at once for that route. Alderman Puller was emphatic in his statement that the city was in no position just now to assume the \$500,000 financial burden that the simultaneous widening of the two streets would involve, and moved as a substitute for Alderman Gunst's motion, that the committee recommend to the Council for passage an ordinance providing for the widening of Fourteenth Street alone.

At this point Mr. Gunst explained that while he was convinced of the feasibility and economy of the simultaneous widening of the two streets, he was ready to vote for the improvement of Fourteenth Street alone if his motion was defeated. He suggested that Mr. Puller withdraw his motion long enough to permit a vote on the motion offered by him. To this Mr. Puller consented, and the committee voted for the simultaneous improvement of Fourteenth and Fifteenth Streets was put and defeated. The members voted as follows:

Ayes—Aldermen Powers and Gunst, and Councilman Sullivan—3.
Noes—Aldermen Puller and Councilmen Butler, English, Jones and Pollock—5.

DEFER FINAL ACTION

TO CONSULT BOLLING

With Mr. Gunst's motion defeated, the chair declared in order the original motion made by Councilman Jones, declaring it to be the sense of the committee that the Fourteenth Street route be selected as the official approach to the bridge. It was the object of Mr. Jones to decide upon the route first and upon the details of the improvement later.

Councilman Pollock, chairman of the committee, saw a large element of danger in thus limiting the committee to the selection of the Fourteenth Street route, and advised a consultation with City Engineer Bolling before a definite decision on this point was formulated.

Alderman Powers thought likewise that a further consultation with the City Engineer should be had before a decision was reached. He criticized what he described the apparent desire of some of the committeemen to railroad a recommendation through at this meeting. The bridge approach matter was the subject of consideration for two years, he said, and a final decision may safely be delayed a little longer.

WILL MEET THIS AFTERNOON

TO VOTE ON PLAN

Before a vote on the motion offered by Councilman Jones could be reached, Alderman Puller moved that the committee adjourn to 5 o'clock this afternoon for the purpose of consulting with the City Engineer, and the motion was carried.

The committee went into session at 5 o'clock yesterday afternoon, and allowed forty-five minutes to the advocates of the Fifteenth Street route or a statement of their proposition. Argument in support of this plan was made by Leroy Brown, Phil Kelly, Alvin M. Smith, P. C. Christian, John Hagan, B. Gallagher and M. J. Fulton. The Council Chamber, in which the hearing was staged, was filled with interested citizens, and with the advocates of the two rival routes.

HOSPITAL MAKES NO REPORT

Child Dies From Burns at Sheltering Arms—Doctor Notifies Coroner.

The funeral of the three-year-old child of Mr. and Mrs. Sam Burdett of Providence Forge, who died early Wednesday morning at Sheltering Arms Hospital of burns received at home early Tuesday morning, took place from the Olive Branch Presbyterian Church, near Providence Forge, yesterday afternoon. The child was severely burned when a dress caught fire from an open stove. She was rushed to the local hospital for treatment, and Dr. R. D. Arch was called in to attend her. In spite of his exertions to save her life, however, she died about twenty hours after the accident. Her mother and father, who accompanied her to Richmond, were with her at the end.

EARL PIN IS STOLEN

FROM BRIDE'S PRESENTS

George B. McAdams Reports to Police Loss of Valuable Stone Belonging to Daughter. Detectives from headquarters were yesterday engaged in a search for the earl who stole a \$100 pearl pin from the residence of Mrs. George B. McAdams, 614 West Main Street. The pin was the property of Mrs. McAdams' daughter, and was stolen while she was preparing for her marriage with Phillip George Cooke, which took place yesterday afternoon at St. Paul's Episcopal Church. No arrests had been made in the case at an early hour this morning. The bride is a sister of Col. J. Thomas McAdams, of the Merchants' National Bank of this city.

FUND HAS INCREASED

BY WISE INVESTMENT

Invested Resources of Police Benevolent Association Now \$110,000.

NO AID FROM CITY OR STATE

Annual Meeting of Association Held. President L. Z. Morris Submits Interesting Report—Eight Pensioners Now on Rolls.

The annual meeting of the Police Benevolent Association was held in the Hastings Courtroom yesterday afternoon, with a large number of members present. All members of the present board of directors were re-elected, and they will elect the officers of the association at the next meeting, which will be held in January. This board is composed of four men from the First Precinct, four from the Second, two from the Third, two from headquarters, the Chief of Police and four citizens. Several matters of considerable importance came before the association yesterday, the most important of which probably being the association's decision that the maximum age at which a man is admitted to the force be considered the maximum age at which he can be admitted to the Benevolent Association. This age limit is thirty-five, and according to the decision reached yesterday, no one will be allowed to enter the association after having passed this limit.

OPTIONAL ARRANGEMENTS AS TO DEATH BENEFITS

Another matter of importance which was agreed to was the proposal which would make it optional with those on the retired list as to whether they will remain as parties to the agreement covering payments of death benefits after they have been placed on the retired list. This agreement is one drawn between the members of the force, and is not a rule of the Benevolent Association. By it each party to the agreement binds himself to pay \$3 toward a widow's fund at the death of any other member. This fund is turned over to the widow of the deceased officer, and insures expenses of the funeral and a small sum left the widow.

Under the old agreement, retired members of the force were automatically prevented from securing this benefit, even though they might have contributed toward the fund. As the agreement of yesterday's stand it will be left with the retired officer to decide whether he will continue paying \$3 at the death of any member of the force, and his estate at his death receive a sum equal to that which would be his, had he been an active member of the police force.

The annual report of the president, L. Z. Morris, was the concluding matter of the meeting, which came before the association and Mr. Gunst's motion were adequately set forth in this message, which, in part, was as follows: NEVER RECEIVED AID FROM STATE OR CITY

"Sixteen years have passed since we organized, and the results attained seem almost incredible. The motives which prompted the founding of this association were nobly altruistic. The flight of time brings with it inevitable conditions when bodily ailments and afflictions compel men to leave the ranks of activity and swell the number of those who, through no fault of their own, fall into a state of helplessness and dependence.

"Although the appeal of this worthy class is so strong, the procession of human life too often moves along without taking notice of the brother in distress by the wayside. But our association shines forth as a light in the darkness. We have never asked nor received anything in return for the aid which we have given to our members. We are now in a position not only to help the men who have passed the milestones of active life, but to assure the men on duty that should providence call them hence, we will provide for their loved ones in their greatest extremity.

"Two years ago it was determined to enlarge benefactions of this association, and to include the survivors of those who may pass away while in service by paying them a sum equal to that paid to pensioners for a period of twelve months. Since our last annual meeting, having held to our plan, six of our members, as follows: Sergeant F. M. Kraft, November 24, 1913; Captain W. A. Barfoot, February 4, 1914; Private William H. Palmer, February 24, 1914; Sergeant P. L. Leise, April 29, 1914; Private John B. Gileas, April 29, 1914; Sergeant W. B. Whitlock, June 8, 1914.

TOTAL INVESTED FUND

NOW AMOUNTS TO \$110,000

"Our pensioners, eight in number, are being well. We have paid out this year to fifteen beneficiaries \$40 per month each.

"The annual barbecue, held on August 5, was most successful, both socially and financially. The report of your treasurer shows that although we paid out this year a large sum for benefits, yet our investments increased \$10,000, making our invested fund \$110,000. These results are brought about by wise economy, careful investment and loyalty to the cause.

"This report would be incomplete without extending my thanks to our efficient treasurer, Captain P. L. Leise, Sergeant George H. Matthews, and Captain George E. Pollock, for their ever ready assistance and careful attention.

"My thanks are also due to my colleagues on the board of directors for their unvarying courtesy, and likewise to the Board of Police Commissioners for their unfailing interest and support in all matters pertaining to our association. "The spirit of co-operation is growing steadily, it behooves each and every one of you to take your place in the ranks and to do as well by personal endeavor as by the example of others. What has been done is but an incentive to greater and better things, which, under God's guidance, we shall be able to accomplish."

President Moore Writes Governor Stuart That Panama-Pacific Fair Is 95 Per Cent Ready.

Charles C. Moore, president of the Panama-Pacific Exposition, in a communication addressed to Governor Stuart, which was received at the executive office yesterday, asks the Governor to contradict all rumors extant to the effect that there will be any delay in the opening of the big show at San Francisco. Mr. Moore says the exposition will be thrown open to the public February 29, 1915, and that it will be 100 per cent complete. His letter to the Governor follows: "Notwithstanding the fact that the Panama-Pacific International Exposition is 95 per cent completed; that our participation in arrangements by the States of the nation are the greatest ever known in exposition history; that notwithstanding the European war we shall still have with us as active participants as many foreign nations as have ever been present at any exposition; and notwithstanding the fact that all transportation experts agree that the Panama-Pacific Exposition will have the largest attendance here in 1915, increase are

BAPTISTS TO OBSERVE FASTING AND PRAYER

Six-Hour Service Will Be Held at First Church To-Day—May Be Observed at Home.

SEVERAL LEADERS TO AID

Rev. Weston Bruner Speaks on Second Coming of Christ—Open-Air Services to Be Held To-Morrow Night on Broad Street.

Baptist workers, pastors and members of the different churches engaged in the city-wide evangelistic campaign, will observe to-day in fasting and prayer. No special rules for the observance of the day have been laid down, but each will be free to pray and fast as he or she desires. Services will be held from 9:30 until 3 o'clock, with a change of leaders every half-hour, in First Baptist Church.

A large congregation was disappointed yesterday when Miss Eva Booth was unable to speak on account of illness. Her place was taken by Rev. Weston Bruner, who preached on "The Second Coming of Christ." That he was coming, the speaker said he firmly believed, although many sects and cults had made themselves laughing stocks by their repeated predictions. The fact that the second coming is mentioned 257 times in the New Testament, the speaker said, satisfied him that it was true.

J. H. Babbitt, of Abingdon, Ill., conducted the special service of songs at the central meeting yesterday. The male quartet was heard in several sections, and A. B. Hunt sang an effective solo, while a violin obligato was played by Mrs. E. L. Wolskel. All of the singers are to appear in an elaborate musical in connection with the last of the union meetings on Monday morning.

SEVERAL EVANGELISTS

TO HAVE PART IN SERVICE

The following assignments have been made by Dr. Bruner for the protracted service to-day: Nine-thirty A. M., Evangelist Lamb; 10 A. M., reports, male quartet; 10:30 A. M., Rev. J. A. Scott; 11 A. M., S. W. Kendrick; 11:30 A. M., Mr. pastor's period; Dr. McDaniel; 12 M., Rev. J. W. Hickerson; 12:30 P. M., Evangelist McMahon; 1 P. M., Rev. J. C. Owen; 1:30 P. M., Evangelist L. C. Wolfe; 2 P. M., pastor's half-hour, Dr. Ball; 2:30 P. M., Rev. Richard Carroll, colored preacher.

Following the union meeting, at which all of the members of other churches and the pastors composing the City Ministerial Association are invited to be present, there will be a mass-meeting for colored people at the First Church (colored), at which time the unique "mail service" will be repeated by Evangelist Bruner. A like meeting will be conducted Saturday morning at the Leigh Street Church, of which Rev. J. J. Wicks is pastor.

TO-MORROW NIGHT THE VISITING WORKERS

The treatment of influenza or La Grippe. It is quite refreshing these days to read of a clearly defined treatment for influenza or La Grippe. In an article in the "Lancet-Clinic," Dr. James Bell, of New York City, has convinced that too much medication is both unnecessary and injurious.

When called to a case of La Grippe, the patient is usually asked what the fever is, and he is told that it is 101, 102, or 103. The doctor then orders that the bowels be opened freely with salts, "Acetols" or citrate of magnesia. For the high fever, severe headache, pain and general prostration, one Anti-kamnia Tablet every three hours is quickly followed by complete relief. Anti-kamnia Tablets are also a most reliable for headache, neuralgia and all pains.

PHYSICIANS TO SPEAK IN RICHMOND PULPITS

Distinguished Delegates to Southern Medical Association to Be Heard.

WILL PREACH HEALTH SERMONS

Questions of Public Welfare and Social Progress to Be Discussed by Experts in Many Local Churches on Sunday.

The gospel of health will be preached from Richmond pulpits Sunday by some of the most prominent physicians and surgeons of the South, who will come here to attend the annual convention of the Southern Medical Association, November 9-12. The attention of the congregation will be directed to matters pertaining to their general welfare, and from some of the pulpits "Health Sermons" will be sounded.

When the convention of the Southern Medical Association met last year at Lexington, Ky., several of the visiting physicians occupied the pulpits of the churches in that city and of Louisville, Ky., and the movement was well received. This year the movement will be extended, and at the approaching convention the pulpits of churches in Richmond and the hall of the Young Men's Christian Association will be served by physicians and surgeons of acknowledged ability as public speakers, and throughout the State in the principal towns and cities similar services will be held in the places of worship. Thousands of Virginians will thus have the gospel of health presented to them under the most favorable circumstances.

ASSIGNMENTS OF SPEAKERS IN LOCAL PULPITS

The pulpits of the following Richmond churches will be filled Sunday by the physician-speakers as shown in the following list:

First Unitarian Church—Dr. L. R. H. Gantt, Spartanburg, S. C.
Ginter Park Presbyterian Church—Dr. L. B. Morse, Hendersonville, N. C.
Seventh Street Christian Church—Dr. G. E. Henson, Jacksonville, Fla.
Park Place Methodist Church—Dr. J. C. Bloodgood, Baltimore, Md.
First Lutheran Church—Dr. J. H. Luck, Barboursville, Ky.
Calvary Baptist Church—Dr. F. J. Mayer, Opelousas, La.
Highland Park Methodist Church—Dr. S. D. Porter, New Orleans, La.

TO ENLIST YOUNG PEOPLE IN MISSIONARY WORK

Interdenominational Effort to Be Launched at Young Women's Christian Association on November 17.

A campaign for the enlistment of the young people of the local churches in missionary work will be inaugurated on November 17, under the auspices of the Interdenominational Missionary Union. Mrs. E. E. Osgood, president of the organization, stated last night that the campaign will be interdenominational and competitive. Rallies will be held at the Young Women's Christian Association Building for the purpose of hearing reports during the campaign, which will last for two weeks.

Charts with the names of Richmond churches will be hung on the walls, of which a record of each church will be posted. The contests for the ownership of the two pennants, which will be awarded at the end of each week's work, are expected to be spirited. Pennants to be awarded will be displayed at the Young Women's Christian Association Building on the afternoon of November 17.

The committee in charge of the campaign are: Episcopal—Miss Sallie Deane, Miss Jennie Hughes, Mrs. E. E. Osgood, Mrs. T. Crawford Read; Methodist—Miss Nellie Spence, Mrs. W. E. Newell, Miss Lottie Roberts, Miss Jamie Simpson; Christian—Miss Inez Fox and Mrs. L. Neale.

Presbyterian—Mrs. J. Calvin Stewart and Mrs. Elizabeth Wilson McLaughlin; English Lutheran—Mrs. L. L. Scherer; Baptist—Miss Alice Taylor, Miss Elizabeth W. Williams; and others. Thomas, Mrs. Benjamin T. Crump and Mrs. John Garland Pollard.
